

LEADERSTAT INTERIM LEADERSHIP

Ensure stability

Whether sudden or planned, a change in a key leadership position can disrupt an otherwise smooth operation. With one phone call you'll benefit from LeaderStat's extensive network of talented interim leaders. We quickly fill your vacant positions, ensuring a seamless transition while providing ample time to locate the ideal permanent candidate. We've built an extensive network of accomplished professionals, including both interim managers and C-Level leaders. It's what we do best so you can continue to do what you do best –without interruption.

INTERIM MANAGERS:

Our interim managers bring the expertise to drive essential financial and clinical systems, so your organization continues to function at its optimal level.

Our interims include:

- Directors of Nursing
- Assistant Directors of Nursing
- Administrators
- Executive Directors
- Quality Assurance Directors
- MDS Coordinators
- Unit Managers
- RN Supervisors
- LPN Supervisors
- And more!

INTERIM EXECUTIVES:

When a significant executive transition requires transformative leadership, our executive level interim leaders make all the difference. Our C-Level interims include:

- Chief Executive Officers
- Chief Financial Officers
- Chief Operations Officers
- Chief Clinical Officers
- Vice Presidents
- Executive Directors
- And more!
